CAMPAIGN UPDATE *Spring 2013*

Dear Colleagues:

I am proud and deeply grateful to announce that in 2012, the inaugural year of the system-wide One Heart Campaign, staff from every entity contributed more than \$500,000 in support of our mission to extend the healing ministry of Jesus to those in need.

Please know your generosity is noticed, appreciated and admired by the Sisters of Charity of St. Augustine. I am well aware that for some of you, giving is truly sacrificial. I continue to be inspired by your support.

Whether you made your contributions through One Heart, or through your workplace's annual fund or employees' campaign, please know that your financial support has had a very real impact on our ministries' ability to deliver services to those in need. I see your contributions at work in the faces of the children served by Healthy Learners and the Early Childhood Resource Center, in the men served by the South Carolina Center for Fathers and Families and Joseph's Home, in the aged vowed religious at Regina Health Center, and in all of our other ministries and hospitals.

Thank you again for your generosity and continued prayers.

Blessings on you and your loved ones,

Sister Judith Ann Karam, CSA

President & CEO

SISTERS OF CHARITY HEALTH SYSTEM

The One Heart Campaign is the system-wide employee giving effort of the Sisters of Charity Health System (SCHS).

This campaign, which began in 2012, aims to raise both money and awareness for the needs of our hospitals and ministries from the 8,000+ employees in the SCHS family.

It's not too late!

TO JOIN MORE THAN 2,000 OF YOUR COLLEAGUES IN SUPPORTING THE MINISTRIES OF THE SCHS, MAKE YOUR PLEDGE USING THE FORM ON PAGE 2. OR GIVE BY CREDIT CARD OR PAYROLL DEDUCTION AT

www.1heartcampaign.org

A Message of Deep Appreciation

from Christina Walker, Senior Vice President Fund Development

I add my sincere thanks to Sister Judith Ann's for the remarkably generous outpouring of support last year from Sisters of Charity Health System (SCHS) employees. Staff in every ministry across the system gave in support of the mission of the SCHS. Your dollars flowed immediately to the operations of our ministries and helped them sustain their vital human services to individuals, families and communities in need.

Many of you chose to make your gifts through payroll deductions and many made outright onetime or recurring gifts by check or credit card. Whatever vehicle you chose, your support made a tangible difference and continues to do so.

If you made your commitment through One Heart payroll deductions, your gifts will automatically continue through December 31, 2013, unless you instructed us otherwise. Before the end of the year, we will ask you to consider extending your giving until you tell us to stop or wish to make changes.

If you made a one-time gift last year, please do so again. Let us know which ministry or ministries you wish to support on the form below. We are able to accept checks, credit cards or begin payroll deduction. If you give online at www.1heartcampaign.org, you may also set up a recurring gift on a schedule that works for you – monthly, quarterly, semi-annually or annually.

If you have not yet made a gift, I encourage you to join with more than two thousand of your colleagues across our system and support the mission and ministries of the Sisters of Charity Health System. The ten ministries listed on the next page depend significantly on philanthropic revenue; it is not a luxury, it is their lifeblood.

Please feel free to call me (216.696.8401) or Nathan Munn, the One Heart campaign manager (216.875.4634), if you have any questions.

“I so appreciate the help Healthy Learners has provided for my child with asthma. Your help in getting her to a doctor and getting her medicines kept us out of the emergency room. I also want to thank you for helping us to get back on Medicaid when I could not get through the process on my own.” *—Parent of a Midlands student*

MANY BODIES, ONE HEART

“The South Carolina Center for Fathers and Families fatherhood program has taught me how to be a better father to my three sons, ages 8, 14 and 20. We are now a family and I want to see my sons grow up to be strong, self-sufficient men. Most of all it has taught me to be more respectful to my wife, and to reach for a better quality of life by making positive decisions. Together we are working to make a difference.”

— *South Carolina Center for Fathers and Families
fatherhood program participant*

***“It was just the best hospital
experience ever. Keep doing
what you’re doing.”***

— *St. Vincent Charity Medical Center knee replacement surgery patient, March 2013*
